

REQUEST CHANGE

IAM Membership Directory Information

Thank you for your ongoing membership in the International Association of Movers (IAM). Changing your company name can be done by completing the form below.

Before making this change, please recognize that IAM must ensure that members, customers, and industry stakeholders have the ability to obtain valid information about IAM members in a readily accessible format. Therefore, IAM scrutinizes each name change closely and may require additional documentation or supporting information to effect that change. More specifically, IAM must ensure that the person requesting the name change is authorized to do so, that the previous name was not subject to claims with the IAM Receivable Protection Program (RPP), and that there is a legal basis for the name change.

For all IAM Programs and Services including the Annual Meeting and Mobility Exchange, the IAM Member Name shall be utilized and displayed. Members shall not be able to utilize one corporate name for one service and another corporate name for another service.
